The Red Roots Wrestling Club is proud to hold its 6th annual summer clinic featuring coaching legend Larry Tremblay. He will be assisted by other high school and youth coaches, as well as Massachusetts high school wrestlers, so each participant will get attention. The clinic will be open to kids that have a minimum of 2 years experience. The camp will focus on fine-tuning wrestling skills and learning more advanced techniques. Time will be devoted to fast paced drilling and live wrestling. This clinic is open to children entering grades 4-9 for the 2019-2020 school year. Experienced younger wrestlers will be considered. Camp fee includes a dri-fit work out shirt. Please call/email Wayne Moda at 781.608.6225/wmoda@me.com for details or questions.
